Dear Parents and Junior Golfers,

Arrowhead is pleased to introduce our instructors for the 2004 summer golf program. Michael and Joseph McKain are NYS permanently certified teachers. Together, they have more than 65 years of combined teaching experience; In addition they have met the requirements of the United States Golf Teachers Federation (USGTF) and are licensed to teach golf under the auspices of that organization. Their knowledge of golf coupled with their years of experience working with young people make them uniquely qualified to teach our program. They have owned and operated Red Oak driving range west of Brockport for several years. We are sure this year's program will provide a great learning experience for our clinic participants.

The clinics will fill up fast, so please return your fee and registration form as soon as possible.

Sincerely,

Dale & Peggy Wohlers
