# Hartley – Fitzsimmonds

## Leadership award

Ed Fitzsimmonds began assisting with the Brockport Wrestling team during the 1967 – 68 season. He put on several summer clinics for the Brockport wrestlers and worked closely with then coaches Rudy Aceto and Andy Nazzaro.

R.E. Hartley has been the Brockport Modified Wrestling coach since 1985. He comes from wrestling rich Pennsylvania, and he wrestled for a small college in the state of Iowa. Mr. Hartley was Head Wrestling Coach at Hampton H.S. near Pittsburgh, as well as Port Allegany H.S. (also in PA). Rea also served as a middle school Wrestling coach in Clearfield, PA, before heading to Brockport. Coach Hartley has also served as an official on both the high school and college levels, and remains actively involved in freestyle officiating, a position he has held for the past 29 years. Coach also worked with Mr. Brown and Mr. Bush for one year, and coached the Brockport Modified Wrestling team from 1985 until 2000. He continues to work as a clinician at the Clarion Summer Wrestling Camps, where he has always managed to encourage Brockport wrestlers to come along.

This award was developed at the end of the 1969 – 70 season to honor Coach Fitzsimmonds. This award was “updated” at the end of the 1998 – 99 season to honor Coach Hartley for his contributions and commitment to the Brockport Wrestling program since 1983.

This award goes to the wrestler who has contributed to the total program in the manner that both Ed and Rea have contributed. The award was established to help bring unity to the team, and it is important that the recipient be a **good team man**. The wrestler must be a hard worker, polite, a gentleman, and a good teammate. He must work arduously- doing all he can on and off the mat in the school and the community to promote the sport of wrestling. The winner of this award is recognized for the qualities of hard work, dedication, and loyalty.

# David Schickler

## Outstanding volunteer Award

This Dave Schickler award is to be given to an individual who provides volunteer services to the Brockport Wrestling Program that go to a level above-and-beyond a normal volunteer effort.

Dave Schickler, has been an integral part of the wrestling program at Brockport High School since 1994, when he started the Youth Wrestling Program. The youth program not only sets a strong base for our young, future Varsity wrestlers, but it is the major provider of funds to the Brockport High School Wrestling Program. Year after year, Dave volunteers countless hours teaching wrestling, helping the High School teams, coordinating and running the Youth Tournaments and much, much more--never asking for anything in return or acknowledgment of his actions. That is why this reward was created in his honor for all that he has given to this Program.
